

08-09 PLANS

MEETINGS

“Social Group”

2nd and 4th Thursdays of the month (no child care)

Meetings will be organized playgroup style. They will be held in the courtyard rooms with toys pulled from the nursery and our own storage. One Mom will be in charge of a storytime to begin the meeting and one Mom in charge of a “fun” snack (ie. make your own trail mix, decorate cookies, etc.) Snack will be provided partway through the meeting to break up the “free play” time for the kids.

While there will not be a planned discussion topic, a few days before each meeting someone will send out a parenting topic via email. Everyone can give some thought to the topic and come prepared with any helpful hints, etc. that they think might benefit the group.

Same food system as usual for adults

“Faith Group”

1st and 3rd Thursdays of the month (child care provided)

These meetings will take the form of a structured faith based discussion group. Child care will be provided free of charge in the nursery. Cheryl will provide discussion materials at each meeting.

More details to follow as final decisions are made regarding material selection.

“Craft Days” – 2 per year held in place of that week’s playgroup (child care will be provided for those 2 meetings)

“Speakers” – 2 per year held in place of that week’s Faith group (with child care)

EXTRAS

Summer playgroups

Summer playgroups will be run twice monthly over the months of June, July and August. Hostesses will sign up to plan playgroups. They can be held anytime of the day at your home, at a park or at any other spot you think might be fun! Plans can be made via email and everyone should try to RSVP to the hostess so we know who to look for at the playgroup.

Service

We will continue to do the Mom 2 Mom sale and the Bunny Bonanza for the parish. Two of our meetings will fall during PCCS breaks this year. We will run both of those meetings as community service project days for our kids. Kerstin Rebar will plan the specific projects but they will be something along the lines of the placemats for the children's hospital that we did last year or the cards for the homebound.

ME Time

Kristin Dzik is the organizer for the upcoming year. She will be asking for hostesses for each month's ME Time. The sign up sheet started at Thursday's meeting but she will also communicate via email. If you have an idea for ME Time, but don't feel you can host the event, please also pass those ideas on to Kristin.
